Typical well child visit schedule

- 2 weeks
- 1 month
- 2 months
- 4 months
- 6 months
- 9 months
- 12 months
- 15 months
- 18 months
- 2 years
- 3 years
- Annually starting at age 3

Many of these visits include vaccinations, but our hope is to achieve much more than “just shots” at the time of your visit. As a reminder, we do schedule many physicals two to three months in advance. Please call to schedule your appointment accordingly.
